Prior Authorization of Benefits is not the practice of medicine or the substitute for the independent medical judgment of a treating physician. Only a treating physician can determine what medications are appropriate for a patient. Please refer to the applicable plan for the detailed information regarding benefits, conditions, limitations, and exclusions. The submitting provider certifies that the information provided is true, accurate, and complete and the requested services are medically indicated and necessary to the health of the patient.

Note: Payment is subject to member eligibility. Authorization does not guarantee payment.

Providers: You are required to return, destroy or further protect any PHI received on this document pertaining to members whom you are not currently treating. Providers are required to immediately destroy any such PHI or safeguard the PHI for as long it is retained. In no event are you permitted to use or re-disclose such PHI.
